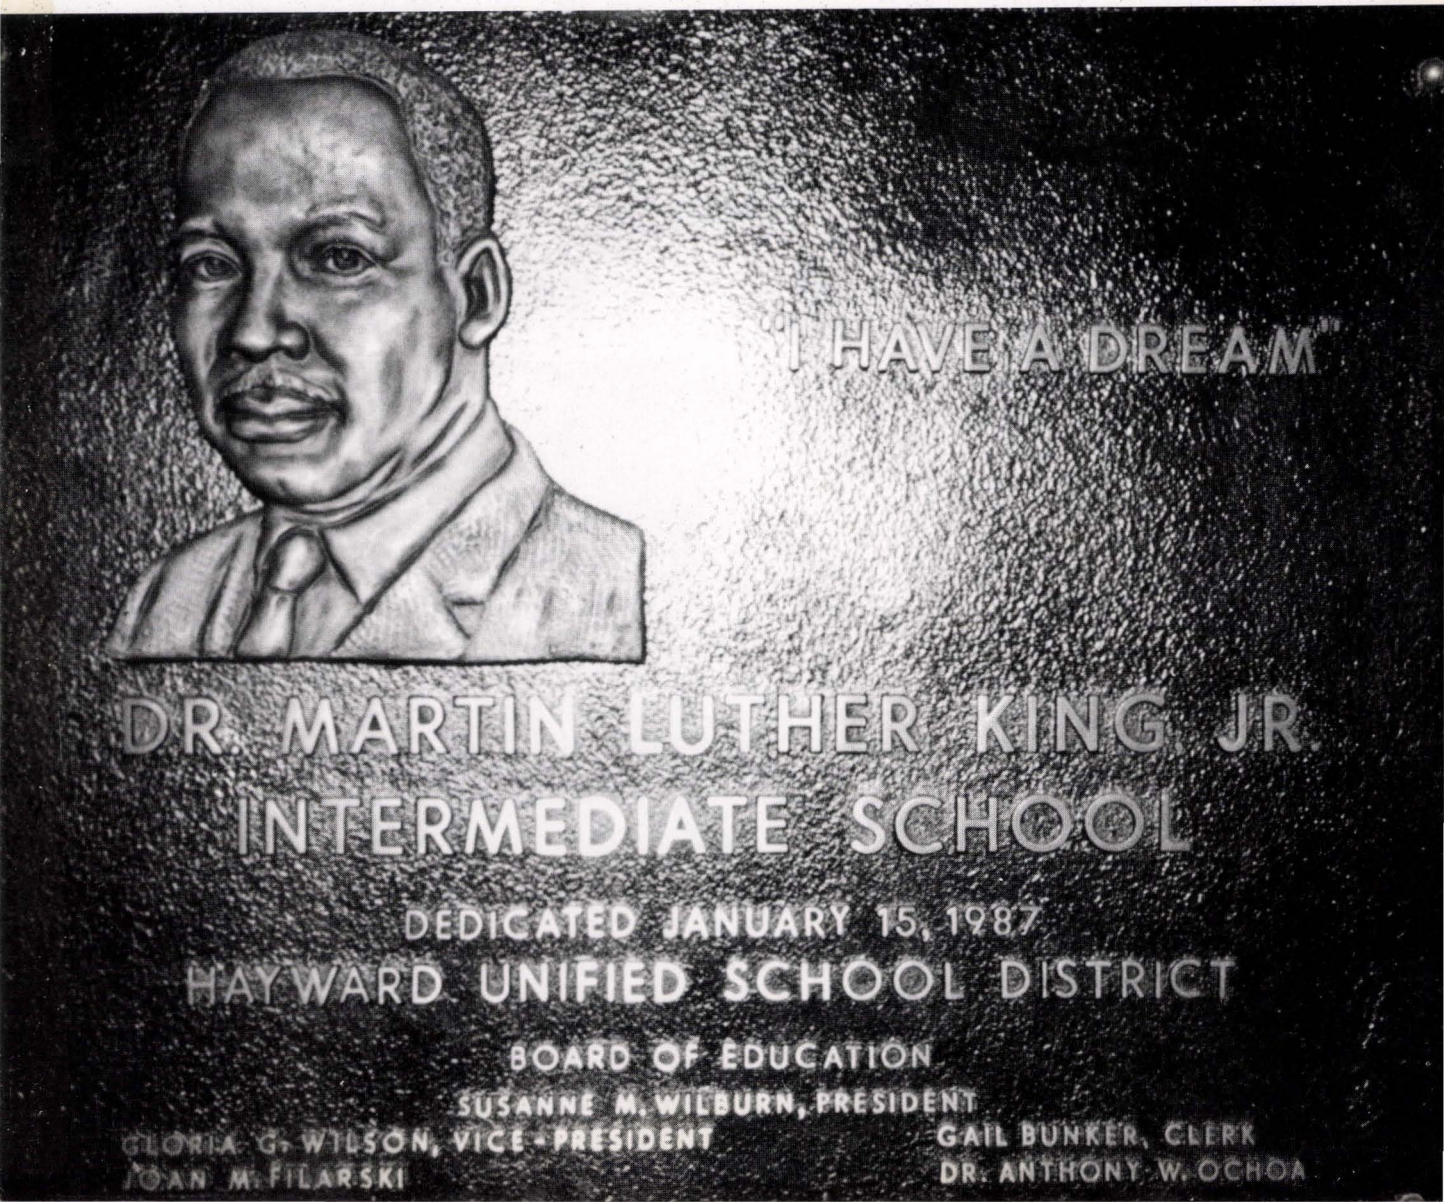
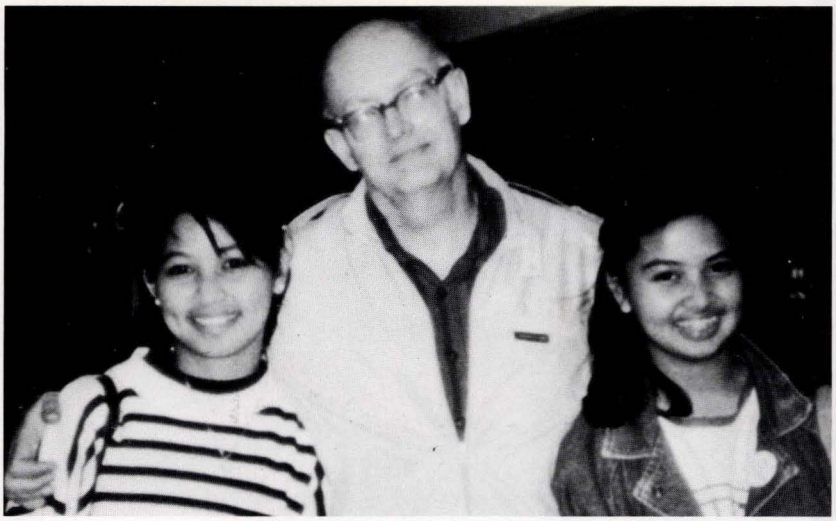
We Have A Dream

KING INTERMEDIATE SCHOOL '88





Mr. David Cobble

We the students of Dr. Martin Luther King Intermediate School dedicate this yearbook to Mr. David Cobble.

Mr. Cobble has contributed twenty-seven years of service to the students of Hayward and the teaching profession.

Instructing students and helping them through various subjects like: social studies, language arts, reading, and art is no easy task. But his job doesn't stop there. Mr. Cobble also contributes his after school time to extracurricular activities such as intramural sports. He explains that "being with kids and watching them grow is like watching my own childhood days."

We have been fortunate to have Mr. Cobble as an educator and friend for many years and hope that he will be around to help guide us in the years to come.
